It is the responsibility of the Director to enforce these policies for the safety of the students and the staff of the center.

Maintain Current Files: It is the responsibility of each parent to work with the center to maintain current and accurate emergency contact information, as well as update each child's medical file yearly. Failure to provide up-to-date medical forms as requested may lead to a suspension in services rendered.

Child Pick Up It is the responsibility of the parent to pick their children up from the center before closing time. When a child is left at the center past normal operating hours, staff may wait until the parents arrive. A fee of up to \$1.00 **per minute, per child will be assessed. This fee must be paid to the on-duty staff member at the time of the late pick up.** If a child is left at the center for over an hour after closing, we reserve the right to notify the Police and Child Services.

Parents may re-enroll their child depending on space availability. Fees for absent days will not be prorated or refunded for any reason.

Even with all the safeguards in place, children can still have accidents. Parents are notified by the Director immediately following an accident and the Director will advise if a visit to the hospital is recommended.

TRANSITIONING POLICIES Each family receives our enrollment packet upon touring our centers. Within that packet is a Child Information Statement that needs to accompany the child prior to, but no later than the first day of attendance. With this enrollment packet we help the teacher prepare for the new child with Name, Birthday, Cubby and Cot or Crib assignment. During the first two (2) to four (4) weeks of enrollment, our staff and Director will use this information to familiarize themselves with each child and assess that they are placed in the class that best suits that child's individual developmental needs.

Transitioning students from one age group to another is determined on an individual basis as deemed necessary. The developmental readiness is determined by the child's primary teacher and Director in accordance with Ohio's Early Learning and Developmental Standards/Guidelines. Each family will be notified in writing via JFS for number 01129 within an adequate time frame specifying the date and time that their child will begin the transitioning process, as well as an opportunity to schedule a time to meet their child's new teacher. Along with the child we pass their family Information Sheet, JFS form 01511, to help the new

teacher better meet the needs of the child. In order to prepare the child for their new classroom, the duration of the transitioning process is determined by the child's consistent demonstration of social and emotional comfort levels within the new environment. Each parent is notified verbally on a daily basis of their child's progress until permanent placement in the room is determined by the teachers.

When a child has completed our preschool program and will be entering Kindergarten, we help prepare the family by giving them school pamphlets for the surrounding schools to which we transport, By providing the parents with a body of work and Child Assessment Portfolio, it helps the parents make the best decision in choosing a school. We help the child transition better by scheduling a field trip to the nearest elementary school, and practice techniques such as holding lunch trays, bringing book bags and even completing homework assignments. This is a fun new adventure for both parents and students,

DAILY SCHEDULE The daily schedule for each age group is designed to meet the developmental needs of the children. A healthy balance between active and quiet play, outdoor play and naptime is integrated into the schedule. The teachers will post weekly lesson plans on the "Parent Board" located in each classroom.

ARRIVAL AND DEPARTURE For the safety of each child, the center requires that each parent accompany their children into the building and escort them to the care of the attending staff member. A family member under the age of 18 years **may not** bring children in or out of the building. This includes older siblings. Dazzling Tots requests that our parent's phone ahead if they plan on arriving later than their usual time. It is the responsibility of the parent to notify and alert the Director and/or staff that the child is departing. Staff will document arrival and departure of each child on a daily attendance form.

No child will be released to anyone other than the parent or guardian without written consent. Dazzling Tots requires written notification in advance to release children to anyone other than the parents or guardians as indicated by the Alternate Pickup Authorization form located in the Enrollment Packet. Any person picking up a child will be required to show official identification. Dazzling Tots reserves the right to ask new parents for identification until all staff is acquainted with the new family.

In the event your child is involved in a custody agreement, a court order must be provided to the center stating the appropriate days each parent will pick up the child. This court order will be copied and kept on file in the Director's office. Each teacher will be notified as to whom will be picking up the child on which day. The court order will be implemented as stated, and no adjustments may be made at any time.

Parents must sign their children in and out using a provided password. This computer will also track accounting statements, medical notices, or center announcements. It is the responsibility of the parents to check notices daily and accurately sign your children in and out.

We begin our morning curriculum at 9:30 a.m; we request all children to be in attendance prior to that time. **Parents are required to call ahead of time to announce late arrivals. Dazzling Tots reserves the right not to accept any child arriving after 9:30 am. Without prior approval.**

PROFESSIONAL CONDUCT Dazzling Tots will not tolerate offensive language from parents or staff members. It is policy that any inquiries and/or concerns shall be addressed to the Director only. Any negative matters that need to be discussed must directly involve the Director. It is a violation of state law, as well as

Dazzling Tots policy, for a parent to physically or verbally discipline children in the center, or to reprimand or accuse other children of misconduct. Center staff is required to always maintain a professional attitude towards our parents as well. If the Center suspects a parent or guardian is picking up a child under the influence of drugs or alcohol, Dazzling Tots will contact the police and Department of Human Services immediately. All rules and policies are in place to ensure the safety of each child and caregiver in the facility. As stated earlier, the center requests that all Center matters are addressed directly to the Center Director or the owners of the center.

Dazzling Tots reserves the right to terminate, use suspension, and/or expulsion childcare services immediately in the event of behavioral issues that endanger the health or safety of our staff or other children in our care, Dazzling Tots reserves the right, at any time, to discontinue child care services to any parent or child who does not practice the policies of the center.

DISCHARGE In most instances, if a child demonstrates consistent aggressive behavior or discipline problems there will be documented observations done by the teachers and all of our procedures will be followed. When we feel we have exhausted all of our abilities to control the behavior we will require a parent-teacher conference to discuss the situation and/or behavior. At that time there will be a follow-up meeting set to discuss any progress, alternatives, etc. If behavior has not improved or has gotten worse, and if the teacher and Director feel it is necessary, a professional referral will be recommended. This will be done only after we have exhausted all our abilities and it is in the best interest of the child to receive outside help. If professional help is not sought, alternative childcare arrangements must be made. If professional help is sought and no improvement in the child's behavior is observed in a reasonable time frame, then alternative childcare arrangements must be made.

HIRING CENTER STAFF Dazzling Tots provides job related training for all staff. The center does not endorse, nor is it responsible for teachers and other staff who provide outside services for Dazzling TOTS parents such as babysitting. Dazzling Tots does not insure or train staff to work outside the daycare setting. Any relationship formed outside the daycare setting excludes Dazzling Tots from all liability.

SAFETY POLICY All children will be supervised at all times. The policy governing arrival and departure of children assures that a childcare staff member is aware of each child's presence at the center.

All supplies will be kept in office, classroom storage area/closet, and kitchen (for cleaning supplies). Cleaning supplies will be locked away.

GENERAL EMERGENCY PLAN General emergencies include any threats to the safety of children due to environmental situations or threats of violence; natural disasters such as fire, tornado, flood, etc., and loss of power, heat or water. Dazzling Tots Philosophy

The needs of children and their parents are the primary concerns of Dazzling Tots. By providing the best possible care to children, we seek to contribute to the happiness and security of our parents and the communities in which they live.

First and foremost, Dazzling Tots provides children with constant and alert supervision in a safe environment, screened from hazards. The large open classroom with designated areas for learning centers provides for both quiet and active play.

Our entire program is designed to enable children to have a positive self-concept and to know success at an early age. This is possible because our center environment provides children the opportunity to be safe in their quest as natural leaders.

ADA (Americans with Disabilities Act) Compliance: we make every effort to make information accessible to all individuals with disabilities. We provide staff to help with completing forms for those who have disabilities. This includes those who are audibly and visually impaired. The Ohio Department of Job and Family Services is committed to providing access and inclusion and reasonable accommodation in its services, activities, programs, and employment opportunities in accordance with the Americans with Disabilities Act (ADA) and other applicable laws. To request a reasonable accommodation due to a disability please contact ODJFS's ADA Coordinator at (614) 644-2703 or Toll Free at 1-866-227-6353 at least fourteen (14) business days prior to the scheduled meeting or event to request an accommodation.

Children with who fall under the ADA will be administered care procedures and medicine by center staff and/or administrator, following written doctor documented order. All medical administration will be completed on the Medical Administration Form (JFS 01217).

Our Teachers and Directors are provided weekly themes that ignite each child's unique pleasure in learning. The seasonal curriculum suggests proven ways to include these weekly themes in a variety of "discovery centered" activities. Using the curriculum's themes, each teacher designs individualized lesson plans. We do not adhere to standardized lesson plans because we feel there is no "standard" child or class. This is why we keep our teacher-child ratio at a level which comfortably supports personal attention.

Our center provides activities such as gymnastics and dance classes. These services enable parents to further enrich their children's lives without cutting into the quality time parents and children share after working hours. We will not provide swimming nor will take children swimming offsite.

Progress reports, assessments, and developmental checklists are given to parents to keep them up-to-date on the total growth of their children, Formal conferences are scheduled yearly to discuss a child's progress. Parents are also strongly encouraged to meet with their child's teacher and Director, and visit the center at any time.

HOURS The center open Monday through Friday from *6:30 a.m. until 6:30 p.m. The program provides both full-time and part-time services, before and after school, as well as summer camp for school-aged children,

WEATHER POLICY

It is our intention to provide service at all scheduled times. However, severe weather conditions may prevent this. Should we need to close our centers before regular closing time Information will be posted on our website, dazzlingtotslearningcenter.com. If weather conditions worsen during the day, please check these sources often, or call the center to check on its status. It is important in these circumstances to be prompt in picking up your child so that children, staff and families have safe travel home.

VISITATION You may visit your child at the center at any time. Unannounced visits are encouraged and welcomed. Additionally, we are interested in presenting the children with as many varied experiences as possible. If you would like to be a guest speaker, or if you know of someone with an interesting talent or job, please do not hesitate to contact us! We like changes of scenery and learning through field trips. If you know of any interesting destinations, please share with us.

5. A copy of the incident report completed by the staff will be issued to the parent/guardian. The original report will be kept on file at the center.

*Parents must arrive at the hospital no later than 15 minutes after the emergency vehicle transporting their child.

TRANSPORTATION Dazzling Tots does not use vehicles to transport at this time. It is the parents responsibility to set up transportation with the local schools that their children attend.

In the event that your school age child is to be dropped off or picked up by public transportation, you must notify the Director if your child will be absent. In the event your child is scheduled to be at the center after school, but the child does not appear at the center, the Director will be notified immediately and the Director will notify the parent/guardian.

CURRICULUM GUIDELINES FOR DEVELOPMENTALLY APPROPRIATE PRACTICE Our curriculum provides for all areas of a child's development including physical, social, emotional and cognitive. Curriculum planning is partially based on teacher's observations and recordings of each child's special needs, interests and developmental abilities. Classroom environments are designed for the children to learn through active exploration and interaction with adults, peers and materials. Learning activities and materials are concrete, real and relevant to the lives of children. Each program provides for a wide range of developmental abilities and interests which are increased in difficulty and challenge as the children develop understanding and appropriate skills.

GUIDANCE AND MANAGEMENT Guidance and management applies to all employees of the center. Dazzling Tots philosophy for discipline is to create a positive atmosphere that emphasizes self-esteem, self-control, and self-actualization. Our daily schedule is planned so that each child is given "choice time" to learn to take control over certain areas of his/her life. Our approach rewards positive behavior and ignores behavior we wish to discourage

Allowable Discipline **Techniques**

1. Setting clear limits.
2. Redirecting to an appropriate activity.
3. Showing positive alternatives.
4. Modeling the desired behavior.

5. Reinforcing appropriate behavior
6. Encouraging children to control their own behavior, cooperate with others and solve problems by talking
- 7 Separation from situation, if used, shall not last more than one minute per each year of the child's age and shall not be used with infants. Upon the child's return to the activity, the provider shall review the reason for the separation and discuss the expected behavior with the child.
8. Holding a child for a short period of time, such as in a protective hug, so that the child may regain self-control. **Prohibited**

Discipline Techniques

1. Abuse, endanger or neglect of children, including shaking a baby.
2. Utilize cruel, harsh, unusual, or extreme techniques.
3. Utilize any form of corporal punishment.
4. Delegate children to manage or discipline other children,
5. Use physical restraints on a child.
6. Restrain a child by any means other than holding children for a short period of time, such as in a protective hug so that the child may regain self-control, Prone restraint of a child is prohibited. Prone restraint is defined as all items or measures used to limit or control the movement or normal function of any portion, or all of a child's body while the child is in a facedown position. Prone restraints include physical or mechanical restraint.

Each child helps contribute to the rules for their class. Doing this allows each child to be aware of what is inappropriate behavior and to understand the consequences of their actions. Positive guidance methods are part of Dazzling Tots philosophy for discipline. Positive directions are used to tell children what they *are* to do rather than focusing on what *not* to do, (i.e. "walk please" instead of "no running"). Redirecting the child to another activity and keeping the child's goals or interests in mind is another technique used. Words are the tools we use to teach and encourage problem solving skills between children. This enables them to make careful judgments, choose appropriate solutions and to understand the consequences of different choices. The last resort used would be a "thinking time", when a child might be given time to sit and determine a better choice of conduct for their actions. The maximum thinking time allowed is one minute per year of the child's age. All staff members are required to document excessive inappropriate behavior and turn it in to the center Director. If the inappropriate behavior continues, a meeting with the child's parents will be scheduled so that we can devise a plan to work as a team to eliminate behavior issues. Physical or verbal punishment shall never be an accepted disciplinary procedure. Discipline shall not be administered for a child's failure to eat, toilet accidents or for not wanting to participate in certain activities. Techniques of discipline shall not humiliate, shame, or frighten a child. It is the purpose of the staff at Dazzling Tots to provide a safe, healthy, and caring environment for each child. Through our discipline policies and procedures, we hope to teach each child to understand rules of safety and help them take ownership of their own behavior.

Dazzling Tots believes open communication between the center and the parents is the best tool for conquering behavioral problems. The center has many resources to assist and aid parents in need, and feedback from the parent is the key to resolving behavioral situations. The center happily assists our parents in any way possible. However, if a situation is out of the control of our staff and Director, we reserve the right to discontinue care for any child. In the event there is a severe or continual problem with an individual child, he/she may be asked to leave the center for his/her own welfare and that of the other children.

BITING

Biting is a typical and often common problem amongst toddler aged children in a childcare setting. Dazzling Tots provides detailed and comprehensive training to our staff in how to prevent and reduce biting incidents in the classroom. When biting occurs, written documentation is sent home with the offending child's parents. An incident report is provided to the injured child. Under no circumstance will names be given to either family. In the event a child continues to bite without showing signs of progress, the Director may suspend him or her from the center until the problem is under control.

MEALS AND SNACKS

The center does not provide breakfast, lunch, and afternoon snack. Students enrolled must provide their own breakfast, lunch, and snack.

The center's policy on food preparation does permit parents to provide food for their children's lunch or snacks. Any diet eliminating the use of any one of the four food groups or dietary allowances as required by Child Care Licensing must be written, signed, and dated by the child's attending physician. The parent is responsible for any substitute items. The Resource Room will be available for breast-feeding mothers.

Dazzling Tots is committed to providing children healthy choices. Our commitment to our families addresses and promotes good health at an early age. We substitute foods including white flour with those containing whole wheat or whole grain, fresh fruits in place of canned fruits, 100 % fruit juices rather than juice "cocktail" etc.

Dazzling Tots requires that all adults and children wash and/or sanitize their hands upon entering the facility.

All Dazzling Tots Teachers are trained by their Directors in the proper methods of hand washing and disinfecting after diaper changes. (All staff members trained in recognition of the symptoms of illness and in hand washing procedures are listed by each phone). We monitor children and their behavior for signs of illness throughout the day. You will be contacted immediately if your child becomes ill while under our care. Please be sure you have made provisions for your child to be picked up in the event such illness should occur. Your child must be picked up from the center within 30 minutes of notification of the illness, or a late fee will apply. Because we are concerned with the health and safety of all the children, **it is extremely important for you to notify the center immediately of all contagious diseases your child contracts other than the common cold.** *We must abide by state and health department restrictions and policies on return-to-school guidelines. Dazzling Tots will not be held liable for lost wages or fees incurred in the event a child is unable to return to the center due to restrictions imposed upon us by the health department in the event a communicable disease has been identified.*

Any child identified with the symptoms listed below will be isolated from the other children, within sight and hearing of staff member. The child will wait on a cot in the Director's office until the parent or guardian arrives. The cot will then be cleaned and sanitized after use. An ill child must be picked up immediately; dismissal procedures for a sick child will be the same as the procedures as listed in the departure policy. Return to care policies shall apply as directed below.

- Temperature. One hundred one degrees (101) Fahrenheit or higher in combination with any other sign or symptom of illness. Fever must return to normal for 24 hours before returning to care without the assistance of medication (ie. Tylenol/Advil). Call the doctor if your child suddenly develops a rash, especially if it is accompanied by a fever, sore throat, or swollen glands, as this may be a sign of scarlet fever. This is especially important if your child has any of the symptoms of strep throat, or if

someone in your family or in your child's school has recently had a strep infection. Diarrhea. (three or more abnormally loose stools within a twenty-four-hour period), Your child may return to care after 24 hours without loose stools. In the event of a rotavirus diagnosis, please provide release from your physician before returning to care. In the event of a shigella case, parents may be required to exclude their child from class until diarrhea has ceased and the child has two stools that have tested negative for the bacteria.

A release from the physician or health department may be required.

- Severe coughing. Cough which causes the child to become red or blue in the face or to make a whooping sound as well as difficult or rapid breathing. Return to care when free of symptoms or with a physician's written approval.
- Ringworm. A common skin infection which takes different forms depending on the part of the body infected. It is very contagious, so if you believe your child has ringworm, please see your healthcare provider immediately. Return to care 24 hours after treatment has begun. *A release from your physician must be provided.*
- Yellowish skin or eyes. Return to care when free of symptoms or with a physician's written approval.
- Pink eye. Redness of the eye or eyelid, thick and purulent (pus) discharge, matted eyelashes, burning, itching or eye pain. Return to care 24 hours after treatment has begun and a release from your physician is provided. Untreated infected skin patches, unusual spots or rashes. Return to care when free of symptom is or with a physician's written approval.
- Unusually dark urine and/or gray or white stool. Return to care when free of symptoms or with a physician's written approval.
 - Stiff neck with an elevated temperature. See your healthcare provider immediately. Return to care when free of symptoms or with a physician's written approval. . Evidence of untreated lice, scabies, or other parasitic infestations. Return to care no sooner than 24 hours after treatment is begun. In the event of lice, your child must be "nit free" before being allowed back to care. Upon return, the child must check in with the staff each morning for 4-8 days for a quick recheck in order to prevent recurrence. To assure effective treatment, please check previously treated children for evidence of new infection daily for ten (10) days after treatment. It is recommended you repeat the treatment seven (7) to ten (10) days after initial infestation.

Sore throat or difficulty in swallowing. In the event of a strep throat diagnosis, your child must be fever free for at least 24 hours, and on an antibiotic for a full 24 hours before returning to care. Vomiting. Vomiting more than one time or when accompanied by any other sign or symptom of illness. May return to care after 24 hours without vomiting or other signs of illness. Hand-foot-mouth disease. Hand-foot-mouth disease is a common childhood illness featuring mouth sores, fever, and a rash. Often, the first thing parents notice is their children's decreased appetite for solids, Children may also have a fever and a sore throat. A day or two later, many children develop sores in the mouth. They begin as small red spots on the tongue, gums, or mucous membranes. They may blister or ulcers. A skin rash may also develop over a day or two, with flat or raised red spots. Unlike with many

rashes, the spots are often found on the palms and soles. Symptoms and recovery time may vary, so please speak to your Director before returning to care. Fifth's Disease. Especially common in kids between the ages of 5 and 15, fifth disease typically produces a distinctive red rash on the face that makes the child appear to have a "slapped cheek." The rash then spreads to the trunk, arms, and legs. Fifth disease is a viral illness. Recovery time may vary, so please see your child's physician and speak to your Director before returning to care.

If you have additional questions concerning symptoms of illnesses, a complete "Child Day Care Center Communicable Disease Chart" is posted in the Office.

All parents will be notified of a contagious disease by written notice on the “Parent Board”. A mildly ill child (minor cold, not exhibiting any of the listed symptoms or discharge) will be permitted to stay in the class and will be closely monitored by the teacher for any communicable disease symptoms to develop.

Your child will be readmitted to Dazzling Tots after the signs and/or symptoms of any communicable disease are not present for a period of twenty-four hours unless otherwise indicated by a physician’s instructions, Staff members exhibiting any of the signs of symptoms of communicable disease will be excused from job responsibilities and may not be permitted to return to work without a physician stating that they are free of communicable disease.

MEDICATION When a medication, food supplement, or modified diet is requested by a parent, it must be approved by the Director and follow these guidelines:

- 1) Prescription medication must be accompanied by written instructions from a physician and/or written instructions from the parent. It must be presented in the original prescription container with label intact.
- 2) Any fever-reducing medications that do not contain aspirin, or cough/cold medications that do not contain codeine, may be given for no longer than three days. These items must be in the original container and accompanied by written instructions from the parent describing the dosage and the times of administration. Written instructions from the parent may not exceed the manufacturer's recommended dosages.
- 3) Any non-prescription topical lotions, creams or ointments, and lip balm may be administered with written instructions from the parent for no longer than three months. When used for skin irritations, the ointment, lotions, or creams shall be administered for no longer than fourteen (14) consecutive days at any one time. Lotions, including lip balm, are required to be checked into the office. School Age children will be permitted to apply topical lotion and/or lip balm themselves with the supervision of staff. 4) All medications must be hand delivered to the Office along with the completed paperwork

Dazzling Tots advises all children with medications to arrive 10 minutes early to ensure all necessary medication forms are properly filled out. If a parent leaves medication and fails to correctly fill out the forms, Dazzling Tots will not administer the medication. **ALL MEDICATIONS MUST BE CHECKED IN WITH THE DIRECTOR. DO NOT LEAVE ANY MEDICATION IN DIAPER BAGS OR CUBBIES, SCHOOL AGE CHILDREN ARE NOT PERMITTED TO CARRY THEIR MEDICATION WITH THEM; IT MUST BE GIVEN TO THE DIRECTOR**

All parents of children in the infant, ones, and toddler classes receive individually written "Baby Grams" each day. "Baby Grams" detail the child's entire day, including; feeding times and amounts, detailed diaper changes, and napping times. "Baby Grams" also inform the parents of special activities of that day.

OUTDOOR PLAY It is the policy of Dazzling Tots to incorporate as much outdoor time as possible in our daily programs. If a parent does not wish their child to go out on a specific day, you must sign the "Outside Play" sheet for your child's class. These sheets are located on the main “Parent Board”. We cannot honor any long-term or ongoing refusal of outdoor play without a written statement from a doctor. Children are required to go outside at least once a day (weather permitting), unless they have written approval by a physician. **Dazzling Tots will not reimburse for clothing that is damaged on the playground and recommends that parents dress children in appropriate play clothes, which may become wet or dirty.** If the child is unable to follow

the day's scheduled activities, the parent may need to consider whether attendance that day is in the best interest of the child.

Since the children play outside, we recommend they dress appropriately for the anticipated weather. This includes sweater, coats, comfortable shoes and socks, (**sandals and flip flops are not permitted**), hats, gloves, and boots. Please be certain there is a change of clothes at the facility at all times in order to accommodate children who may be wet or dirty after playing outside.

Dazzling Tots policy states that children will not be taken outdoors in extreme cold/heat (below 25 degrees or over 90 degrees) conditions. During heat advisories, children will only be taken outdoors in the early morning or evening hours. The facility may provide water sprinklers and/or wading pools for the children during hot weather. The staff and students will not participate in any water activity where they are fully immersed. Parents will be notified and written permission requested when we have "Water Days". On days that children are not permitted outdoors due to weather or safety conditions, (such as tornado watch or warning, lightening or other dangerous weather conditions) or any situation which would threaten the children's personal safety, the children will participate in indoor large muscle play. (i.e. games, parachute play, music & movement activities, etc.)

CHANGE OF CLOTHING Upon enrollment, each child is to have a plastic shoe box containing two complete changes of clothing at the center. Whenever a child is sent home with soiled clothing, parents must check the box and replace the clothing for the following day. Replacement clothes should be sent in a marked bag. If the center provides clothing for a child, we ask that the garments be replaced as soon as possible.

It is the policy of Dazzling Tots not to wash the children's clothing. If a change of clothing is unavailable, the parent will be contacted. If a change of clothing is necessary for a child but is unavailable, the parent will be called to immediately provide a replacement. In order to avoid this inconvenience we recommend parents constantly monitor the child's cubby.

CUBBIES Each child is assigned a cubby in or near his/her classroom area. Parents should clear their child's cubby daily. Any items left will be placed in the "Lost and Found" box. Any spare clothing labeled with a child's name will be kept in the plastic shoe box in the child's cubby.

LOST AND FOUND Any clothing articles or blankets found in the center are placed in the "Lost and Found" box, Any clothing not claimed within a reasonable amount of time is donated to charity.

SHOW-N-TELL Only on Fridays may children bring a toy or an interesting object to the Academy. If possible, please choose an item that follows the theme of the week. This item will be shared with the class during the time designated for "Show-n-Tell". All "Show-n-Tell" items must be labeled and placed in the designated box. This is the only time children are permitted to bring toys from home to the Center. There are no exceptions to this rule.

NAP TIME Each child is provided an individually assigned crib or cot during the daily rest time. A child is never required to sleep, but a quiet time is scheduled after lunch. At this time children are encouraged to relax, look at books, or sleep. Because Dazzling Tots participates in a "nap time program," the children are expected to remain on their cots to rest and sleep as part of their daily schedule. Please inform the Center Director if a nap toy, blanket, or pillow is required for security by the child. All napping articles must go home for laundering at the end of each week. Quiet, easy listening music is played to soothe and quiet the children. Back rubs are also a

favorite of the children at nap time.

UPDATES TO THE PARENT HANDBOOK: This parent handbook is updated each spring. The handbook will be posted on our website at dazzlingtotslearningcenter.com and copies will be available at the center. It is the responsibility of the parent to check for updates. If major policy changes are made to the handbook any other time in the year, the center Director will make copies or flyers noting the policy change available to all parents.

NEWSLETTERS, UPDATES & DAILY COMMUNICATIONS: To keep our parents and students well acquainted with our center activities, Dazzling Tots issues a monthly newsletter for our students and parents. The newsletter is an effective tool to communicate with our parents many center happenings, field trips, parties, guest speakers, and lots of “great gossip.”

There is also an option to contact the corporate office. Dazzling Tots encourages parent and staff feedback as well as comments and suggestions. Delays and closings of any of our locations will also be posted on the website.

CAMERAS Many of our Academies have camera surveillance systems. The center Director has a monitor in the office where she can view all classrooms throughout the building. Members of the Dazzling Tots Corporate team also monitor the classrooms. The cameras are in place for the safety of the children as well as the staff. Due to privacy concerns of all children in our care, parents are not allowed to view footage.

CHANGE OF ADDRESS, HOME/OFFICE PHONE NUMBERS Parents must submit any changes of work or home addresses and/or phone numbers **in writing** as soon as they occur. This is extremely important for the safety and well being of the children. This also applies to emergency contact number and physician information. The Center asks each parent to update enrollment records annually.

PAYMENT OF CHILD CARE FEES Upon enrollment, a deposit of one week's child care tuition is required along with a nonrefundable registration fee of \$35. This deposit will be used for the last week of childcare, provided a written two-week notification of withdrawal is given to the Academy Director.

Childcare fees must be paid in full on Monday for each week of child care. **Fees not paid** in full on Monday are subject to a **\$25.00 late fee or termination of services.**

A late sec of \$25.00 is assessed for all payments made after Friday, **NO EXCEPTIONS,**

Any parent who withdraws from the Center with a delinquent payment is sent to Dazzling Tots collection agency. **NO EXCEPTIONS.**

No refunds are given for services rendered. A reimbursement may only be issued for overpayment of services. Any parent who withdraws a child and has prepaid tuition may receive a reimbursement with a minimum one week written notice to the center.

A late dismissal charge is enforced for all children picked up after closing time. This fee will not be waived under any circumstances. The charge is \$1.00 per minute per child, for each minute after closing time. This charge must be paid directly to the center Teacher(s) who stayed after hours to supervise the child/ren.

It is the goal of Dazzling Tots to provide the highest quality of care at an affordable cost to our parents. As the cost of living rises each year, unfortunately child care fees increase as well. Dazzling Tots rates traditionally increase once a year in the fall, and notices of the event are given weeks in advance. Dazzling Tots recommends parents plan ahead and anticipate a 4% - 7% rate increase each fall, every year. The center ensures parents that our rates are always the most competitive in the area.

Refunds are not given for absence. In order to hold a child's place at the center fees must be paid in a timely fashion.

HOLIDAYS AND VACATIONS The following legal holidays are observed by the Academy; **New Year's Day, Memorial Day, Independence Day, Labor Day, Good Friday, Thanksgiving, and Christmas, The Academy is closed but there are no discounts for the fees on these days.** If a holiday should fall during a weekend, the center will announce whether the Friday before or the Monday after will be honored in its place. Vacations from the center are available. Each family is entitled to two weeks of vacation per year of enrollment. This is applicable only after a child has been enrolled for at least six months. If the enrollment is less than six months, there is no vacation time allotted towards child care fees. Vacation days may only be taken in weekly increments and may not be used without one week prior written notification to the center.

For any additional questions concerning Dazzling Tots vacation policy, please feel free to speak to your center's Director.

WITHDRAWAL POLICY Dazzling Tots requests a minimum of a one week notice in writing prior to withdrawing a child. Together, the center and the parents can use this time to collect the child's belongings, zero out your accounts and receive necessary tax filing information. It also gives each child an opportunity to say goodbye to his or her teacher and friends. Following withdrawal, all belongings and personal effects must be removed from the center within one week or they will be donated to charity.

DELINQUENT TUITION Dazzling Tots will give parents a minimum of two (2) notices regarding unpaid tuition. If any parent refuses to acknowledge or respond to these notices, Dazzling Tots will not continue to provide services until the balance is resolved.

TAP TIME AND ATTENDANCE PROGRAM If you forget to tap your child or children in or out for the day, the Director can go into the system and make the correction. However, please note, if there are more than 10 corrections on your account for the month, a \$50 fee will be applied to your account.

PARENT PARTICIPATION POLICY The Director is available to assist parents and employees with problems related to the childcare center. If he/she is unable to assist you, then you will be directed to the appropriate person/agency where you may be able to receive further assistance.

The center encourages parents to participate in the center's programs as often as possible. Notices will occasionally be posted or sent home requesting the participation in specific activities such as field trips, parties, special events. Our facility has an open door policy and your unannounced visits are welcomed and encouraged.

Dazzling Tots holds two Parent-Teacher Conferences per school year. The dates and times of the conferences will be announced and posted in the facility. You will be asked to join your child's teacher to discuss your child's care and development and to exchange information about the program. Your child's teacher will conduct two formal assessments each year on children enrolled in our program. Assessments are conducted in the Fall and Spring of each year. The assessments will be kept confidential and only shared with the parent. If you are unable to attend a conference, a phone conference may be available. If you would like to request a conference with your child's teacher and/or the Director, other than those regularly scheduled, you may do so by speaking with the Director.

Due to the COVID-19 Pandemic please see the following updates to our Parent Handbook.

Childcare providers must check the temperatures of all teachers, children and adults upon arrival. If any individual has a fever of 100 degrees or higher, they may not enter the facility.

Only one family is allowed in our vestibule at a time to ensure social distancing. A staff member will take each child to their classroom for arrival and pick up each day to ensure social distancing.

If an individual has had contact with someone confirmed or probable to have COVID-19, he or she must complete isolation or quarantine procedures in coordination with the local health department prior to returning to the program, We are disinfecting our playgrounds between each group of children. Temporary dividers are being used in several classrooms to meet

the new ratios. Daily increase of sanitizing of toys and equipment. In the event that a case presents itself at our center, we will follow all rules and procedures as outlined by the ODJFS and the Health Department.

I have received a copy of this Handbook. I have fully read and understand the Dazzling Tots A Parent Handbook. I understand and acknowledge my acceptance of the policies stated within this Handbook. I have been offered an opportunity to ask questions. I will direct any further questions or concerns to my Director.
